

RESTORING SEAGRASS IN DALE - COMMUNITY MEETING

Pembrokeshire Coastal Forum and the Pembrokeshire Marine Special Area of Conservation are supporting Sky Ocean Rescue, WWF and Swansea University to work with the local community and users on their project.

To ensure that those who enjoy or work in the sea around Dale have an opportunity to share their views and shape the location and management of this exciting new project, we invite you to:

Community Meeting:

Presentation update of project
Questions/Answers

Monday 7th October 7-9pm

Dale Fort Field Studies Centre (Library), Dale

This meeting seeks to address concerns
raised by the community.
