

CHANGE LOCAL ENERGY SOURCES

- More solar panels or wind turbines
- Insulate homes to save energy
- Green energy grants

GROW AND EAT LOCAL FOOD

- Get a community fridge or allotment
- Eat with the seasons
- Shop locally

HELP WILDLIFE

- Nature surveys
- Look after habitats
- Protect important wildlife areas

IMPROVE EMERGENCY ACTION

- Support vulnerable people
- Understand what to do in emergencies
- Make a community plan

IMPROVE FARMING AND FISHING

More environmentally friendly practices

Reduce waste going into the rivers and land

Stop overfishing

LOOK AFTER THE ENVIRONMENT

Local clean ups

Picking up litter and waste

MORE COMMUNITY GROUPS

Support vulnerable people

Discuss local issues

Educate people

PLANT TREES

Find new places to plant trees

Plant the right type of trees

Look after woodlands

REDUCE RISK OF FLOODING

- Improve drains and pipes
- Building sea defences
- Moving people out of the area

REDUCE WASTE

- More bins and recycling stations
- Re-use things more
- More repair shops

SEE AND RECORD CHANGES

- Look out for extreme weather
- Take pictures e.g. changing beaches
- Send records to local groups
