

Pembrokeshire's Vision

What our community wants for the UK's Green Energy Future

Economic Growth and Jobs

"Pembrokeshire is leading the renewables revolution, attracting investment and boosting tourism"

"New jobs from engineering to hospitality are booming!"

Renewable Energy Education and Training Hub

Fair and Inclusive Process

"Benefits of renewable energy are shared by everyone."

"I came to study renewable energy and now I'm here to stay!"

Commitment to Environment and Wellbeing

Empowered Community

"Everyone here has a say in our renewable energy future."

"We're dedicated to protecting and respecting our coast."

Funded by UK Government

Wedi ei ariannu gan Llywodraeth y DU
